

Design Patent No. 213268

Code - 30 25 08.30 | Fixture Colour - White/Black

Emergency Light

Emergency light is used when there is a power failure.

- High powered low heating LEDs
- In built battery charger
- LED indications provided on the fixture
- Robust rugged design
- Stand alone / portable
- Wall mounting brackets provided
- Weight : 3.2 Kg

Type	• SMD
Power Consumption	• < 5W
IP Rating	• 20
Operating Voltage	• 90-270 V AC
Battery Backup	• 7 hours
Color Temperature	• CW/WW/NW
