

Micro Zenith

Micro Zenith is for general street light applications with various technical parameters as per requirements.

Type	• High Power LED
Fixture Colour	• Gray
IP Rating	• 66
Operating Voltage	• 90-270 V AC
Operating Temperature	• -10° to 50° C
Color Temperature	• CW / WW
CRI	• >80
Power Factor	• >0.9
THD	• <20%
Luminous Efficacy	• > 110 lm/W

- Pressure die cast Aluminum fixture with Polycarbonate Diffuser/Toughned glass
- Heat management compliance
- LED Viewing Angle: 120°
- Inbuilt SMPS power supply
- External Surge Protection upto 10KV
- Slim and light weight fixture
- Fully compliant to IS: 10322, IEC 60529, IEC 62262, LM79
- Easy to install with the help of polemount bracket
- Luminaire size: 385 x 145 x 75 mm
- Weight: 1.76 Kg

Code	• 19 68 09.8.2
Power Consumption	• 45W
Total Luminous	• > 4500 lm

Code	• 19 68 09.10.1
Power Consumption	• 60W
Total Luminous	• > 6000 lm
